Dear Mr. Maddox

This letter is in response to your correspondence dated April 3, 2008 regarding the Division's investigation of Case number IS 07-1588. An investigation was performed and it was determined, based upon the information submitted, that the matter warrants referral to the Commission for Common Interest Communities and Condominium Hotels ("Commission"). You are misinformed in your assertions regarding Mr. Alitt and erroneous in your characterization of the Division's investigation.

As you know, should this matter proceed, Mr. Frank will be receiving a formal complaint of both the factual and legal allegations against him and can provide his defense before the Commission.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann M. McDermott", written over a horizontal line.

Ann M. McDermott,
Administrator
